# Reading

The required summer reading book for students entering fifth grade will be Turtle in Paradise, by Jennifer Holm. We will be answering comprehension questions and completing a project in the fall; so, please have your child bring the book with them to class when we return in September. The students will also be required to read a second book over the summer. They can choose one from the list below or pick out another book of their choice. A summary of the second book should be typed and include the following information:

Title

Author

Characters - what roles did they play?, what type of character development did they have?, etc.

Plot - what happened?

Would you recommend this book to a friend? Why or Why not?
